# SPARKY'S SAFEKIDS

PROJECT CLIENT: Tim Watson

Semmes Fire & Rescue

Our team, the Tech Wizards, will develop interactive kids' games about fire safety and prevention, which will ultimately be hosted on the City of Semmes's website.

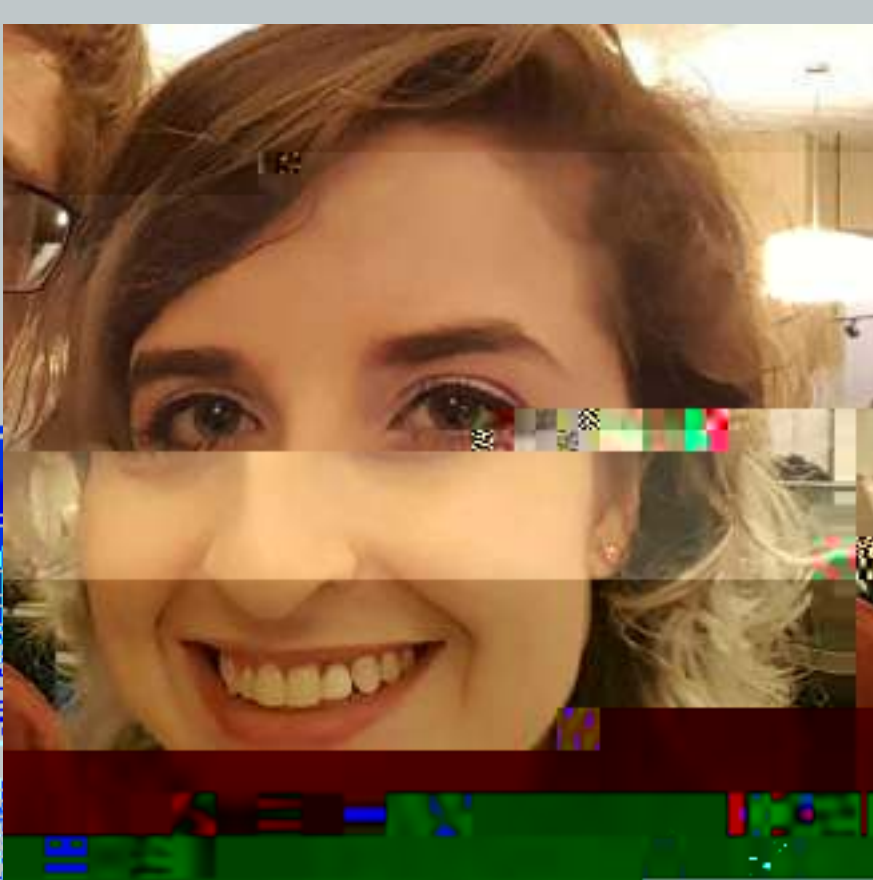

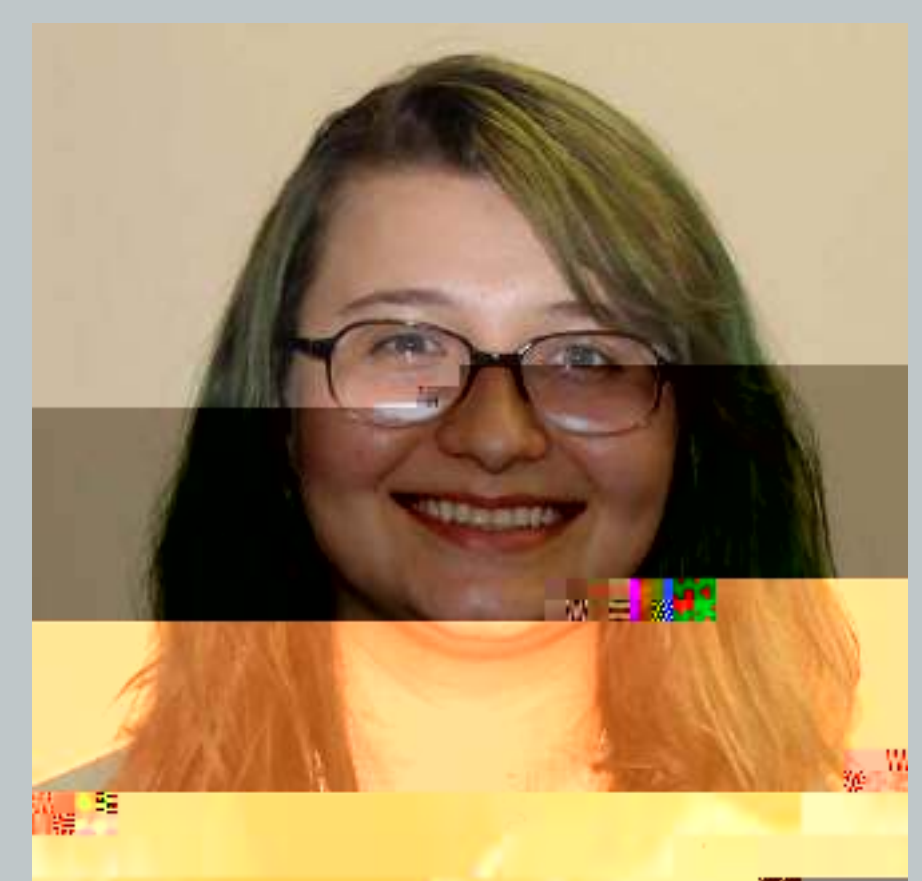

Melissa Ellison is an I.S. major interning at a local software company. She hopes to one day work as a systems analyst. Her hobbies include reading, music, photography, and video games.

Charles Halliday is an I.S. major currently working within Mobile Infirmary's I.T. department. He hopes to pursue his Master's degree in the future.

Savannah Singleton is an I.T. major with a focus in Digital Forensics. In her spare time, she likes to bake and decorate cakes.

Caitlyn Smith is an I.T. major with a focus in Networking and Digital Forensics. She's currently interning at West Corporation.

Karen Thomas is an I.T. major with a concentration in Web Design. Her favorite things include art, writing, coffee, sloths, and her annoying cat, Marty.
